

### Pony League to Stage Opener Next Week

Opening day of the Pacific-Riviera Pony Baseball league is slated for next Sunday at Kissel Field.

Six teams will make up the league with the Colts and Wranglers getting things under way at 10 p.m. Harbor

Savings' Roans hook up with the Pintos at 1 p.m. and the Mustangs and Broncos meet in the nitecap at 4 p.m.

Brief ceremonies will be held between the first and second games.

Games are scheduled for every night except Monday and Saturday. All Sunday games will be in the after-

noon. Mustangs, Wranglers and Colts have had to reorganize because of a loss of last year's men but are showing well in pre-season games.

## Winners Announced in B of A Achievements Awards Program

Four Torrance high school

seniors were among the winners in the statewide Annual Bank of America Achievement Awards Program.

The winners included: First place—Marilyn Flynn, vocational arts, and Warren Cross, liberal arts of South High School.

Second place—Joan Smilie, fine arts, South High School; and Dennis Barbanti, science and math, Bishop Montgomery High School.

Third place—Linea Hileman, fine arts, North High School.

Other winners in the South Bay area were James Caldwell, first place; and Victor Clyne, third place of Serra High School in Gardena.

The first place winners will go on to the Los Angeles County final competitions May 24 at the Statler Hilton Hotel, where they will receive cash awards of at least \$150 each and perhaps as much as \$1000.

They will compete against top ranking students from all over the county except from the Los Angeles City School System, which is so large it is in a separate program with similar awards.

The four second place winners of last Thursday's presentation received \$50 each and the third place winners received \$25 each.

Winners were picked by a judging panel of civic leaders, who met the competing students at the Redondo Beach Elks Club, and heard them in group discussions of present day problems related to their studies, Zone 6 in-

cludes 18 high schools in the South Bay area and a number of private and parochial schools in the city of Los Angeles.

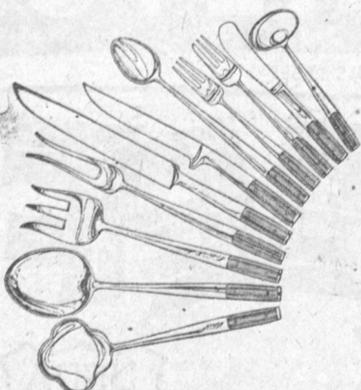

To get into Thursday's competitions the students had already won certificates, gold trophies and the honor of representing their schools. Scoring was based on grades, leadership, outside activities and the group discussions.

Same judging system will be used in the May 24 finals, when first place winners from all eight county zones take part. Their cash awards will be presented that evening, at a banquet attended by 700 honor students, parents, educators and prominent citizens.

Bank sponsors the \$69,000 statewide program to "bring public recognition, reward and encouragement to young people of unusual promise." Virtually all of the state's public, private and parochial schools participate.

Thursday's judges, prominent in their communities for civic, business and youth work, were: Logan Cotton, Redondo; Lynn B. Hansen, Gardena; the Rev. Gilbert Zimmerman, Torrance; Mrs. Roy Aspey, Torrance; H. O. Carriers, Gardena; Chester A. Brown, Lawndale; Mrs. Elizabeth Green, Lawndale; Mrs. Mary Rohrer, Hermosa; Walter G. Linch, Redondo; and William Belding, Torrance. Chairmen of the group were Dr. Rudolph Sando, chairman of the Division of Education at Los Angeles State College;
